Dear Mr. Younggren:

It gives me great pride to say that the 2006 Annual Luncheon was the most successful event The Salvation Army in Greater New York has held to date. I am deeply grateful to all who participated and supported the Annual Luncheon. As a result, we have raised over \$500,000 – surpassing our goal – which will allow the Army to reach out to thousands of people in need this winter.

As a token of my appreciation for your generous Luncheon contribution, I have enclosed a copy of this year's commemorative journal. The journal features interesting bios on members of our dais, advertisements placed by our supporters, and a list of the event's major sponsors. The journal is a wonderful memento of a special day when so many incredible friends of The Salvation Army gathered – from our honoree Steven S Reinemund, Chairman of the Board of PepsiCo, and The Salvation Army National Commanders, Commissioners Israel and Eva Gaither, to members of our advisory board and our many vendors.

Once again, thank you for your incredible support! I wish you happy holidays!

Sincerely,

Major Guy D. Klemanski
