

We have an  
**AWESOME, NEW, SUPER STAR** playground.  
It has a super fast slide! We got this playground over the summer. Before we could play on it there was a ribbon cutting ceremony with Emily, Lisa, and Rev. Curtis. The wood chips are very bouncy. The playground is sooo fun! Near our playground there are trees with apples in them. (Amy): The best part of the new playground is the new, big slide. (Isabella): I like to slide too! (Lucie): I like the whole thing! (Tahlia): The bumpy, bumpy, bumpy slide is fun when you bump, bump, bump, down it! We can also climb down and swing on it.

# Thank You
